

# HAND TOUCH

Since 2002

**Hand TOUCH** has started its journey in 2002. Nine years of excellent business experience in our local market made us confident to step into the export market in 2011. We have harvested good results through exporting crafts and handloom products to European countries and the US, Canada and Japan. Gradual increase in export sale revenue reiterates our confidence that our products invite customers' attention with its utility and fashion statement.

Recently we obtained Sedex SMETA and ISO 9001:2015 certifications and we are also member of the "Ecota Fair Trade Forum" in Bangladesh.
